

March 12th 1945

The next Cttee meeting of the Defence Cttee is at the Trade Union Club in St. Newport St. Leicester square (off Charing Cross Rd.) on Sat. next - I expect at 4 o'clock as last week, but its a Committee meeting, so I don't imagine delegates will be acceptable. However, I am seeing both Vera & Marie Louise on Thurs. & will show them yr letter. I think myself you shdld be represented on the Cttee & am personally v. glad that you want to be. I look forward to meeting you, with Margaret Hobbes (whom I like v. much) as soon as in a v. crowded life I can manage it.

I don't know if you know the address of the Defence Cttee. It is 17, St. Georges St. (second floor) Hanover Sq. W. I. f. Simon Watson Taylor is apparently in charge of the office & is treas. I am writing this away from home; I shall know more abt everything after Thurs. It might save time

x same as bef (92 and 104)

if you got in touch with
SWT right away. Unfortunatly
I can't get along to the Cbtee
on Sat (Satlis always a hopeless
day for me)
